16 February 1961

Reference: EK 3056 (15 Feb. 1961)

Dear Ed:

Enclosed herewith is the estimate requested in your message. Our ability to predict requirements for the long term future (beyond three months) is very poor, but I thought a guess would be better than nothing.

We will look at this again in mid-April and let you know the situation by 1 May. Periodically, after that, we will review the requirements again.

Hope this is good enough.

Best regards

*Milt*
